

VERIFICATION BRIEF: [REDACTED]

****DATE:**** August 3, 2026

****TARGET:**** Veridian Dynamics / "Project Ouroboros"

****CLAIM TO VERIFY:**** Are the environmental testing shell companies owned by Veridian executives?

****STATUS:**** CONTRADICTION FOUND

1. Domain & Infrastructure History

****Target URL:**** `clean-earth-testing-initiative.org`

* ****Current Registration:**** Privacy Protected (DomainsByProxy).

* ****Historical WHOIS (2023):**** The domain was originally registered to *Richard Sterling* (VP of Operations, Veridian Dynamics) before being transferred to a proxy service 48 hours prior to the Veridian environmental press release.

* ****Infrastructure:**** The domain shares a dedicated IP address (`192.158.1.38`) with three known Veridian corporate portals (`veridian-internal.com`, `v-dynamics-portal.net`).

* ****Evidence Source:**** [Archive.org WHOIS snapshot (Nov 2023)] | [Passive DNS records]

2. Corporate Registry Tracing

****Target Entity:**** Clean Earth Testing Initiative LLC (Delaware)

* ****Filing Date:**** October 15, 2023.

* ****Registered Agent:**** CT Corporation System (Standard proxy).

* ****Cross-Border Link:**** The Delaware LLC lists its managing member as *Ouroboros Holdings Ltd*, a Cyprus-based entity.

* ****Cyprus Registry Match:**** *Ouroboros Holdings Ltd* lists *Richard Sterling* as a Director.

* ****Evidence Source:**** [Delaware Division of Corporations File #893321] | [Cyprus Department of Registrar of Companies]

3. Contradiction Analysis

****Public Statement:****

On July 10, 2026, Veridian CEO stated on the record: **"We rely entirely on independent, third-party testing via the Clean Earth Testing Initiative. We have no financial or operational ties to their board."**

****Factual Contradiction:****

Public corporate records confirm that Veridian's VP of Operations, Richard Sterling, is the Director of the Cypriot holding company that wholly owns the "independent" testing initiative.
